

DARE YOU
COULD YOU
WHAT WOULD
YOU BRING TO A
CULTURAL SUMMIT
MONDAY 26 JANUARY
16:45–19:00
EXETER COLLEGE
CENTRE FOR CREATIVE INDUSTRIES
YOU ARE INVITED
TO TEA.

Welcome to the very first
Exeter Tea Time Hour.

A nice moment between the day time
and the evening to consider what's next.

For all cultural influencers in the here,
we'd like to share our findings about
the state of the city's creative life and
potential. Together with a draft of the
new culture strategy, shaped from all
you've been sharing with us, senior
leadership from the council will be
helping us explore the beginnings of
a vision and why they're ambitious
about the creative life of Exeter. We will
also show some details of an official
expression of interest in applying for the
next City Of Culture.

As finger food for thought, we will have a
lot to chat about.
