

Exeter City Centre Strategy & Action Plan

Purpose

Exeter City Council have engaged LDA Design, Lambert Smith Hampton and City Science to update their City Centre Strategy and Action Plan to ensure that the city centre is fit for the future.

Adapting to post-pandemic consumer, transport and commercial trends, the new City Centre Strategy and Action Plan will complement the emerging Exeter Vision 2040 and act as a driver for delivery.

What's On

We want to hear from you with your views about the future of Exeter City Centre. LDA Design is hosting a series of sessions with small groups to agree objectives, priorities and actions for the City Centre. We are inviting:

- Businesses
- Public Sector Institutions
- Educational Organisations
- Stakeholders
- Cultural Organisations
- Citizens Groups
- Private Developers

Together we want to agree solutions to the challenges faced by people in the city. The key outcome of these discussions will be a new City Centre Strategy and actions that will support the Exeter Vision 2040.

**HAVE
YOUR
SAY!**

Where

Positive Lights Project
184 - 187 Sidwell Street
Exeter EX4 6RD
